FILE: **MOTION FOR RECONSIDERATION**

TO: Judge Marc Thomas Treadwell

Dear, your Honor Sir I Darlene Smith is asking for you to reconsider your Motion for Summary Judgment on November 4, 2013 for the Defendants due fact that I did not have enough time to file my Motion for Summary Judgment or my Brief or turn in my evidence . I had an attorney representing me when I gave my Deposition on August 26, 2013 but then as I enclosed to show you he terminated our relationship due to the fact that he quoted; "he does not have the resources as a young attorney just starting a law firm to represent this kind of case". I did not have enough time to find an attorney or have a deposition taken by the Defendants or complete my Summary Judgment or Brief or turn in my evidence. I am ashamed to say to say that I also; got a D.U.I. on October 18, 2013 and was bonded out on November 4, 2013. Enclosed is that proof. I gave a Deposition on August 26, 2013 under oath O.C.G.A. 9-11-6 (d) which is an affidavit that disputes the Defendants evidence as not genuine evidence or supportive. Mr. Morris under oath at the Deposition I gave August 26, 2013. My pictures that I told you that was missing out of my file that I picked up May 8, 2013 at Mrs. Walkers office. I told Mr. Morris that he had my missing evidence and how did he get my pictures. He said that he couldn't give them to me but send me a copy. So, I asked Mr. Weinstein Representing me at the Deposition I gave. To use his cell phone to prove that the Defendants attorney had my evidence in their possession and I want them. Mr. Morris entered the photos in as exhibits. I asked for them under oath and he said that he would give me copies under oath. The pictures show me with bruises the night after I came home from the emergency room. I did not receive them and before Mr. Weinstein terminated me he said he did not receive them yet while we spoke on the phone.

In conclusion, I have genuine evidence to dispute and prove that my constitutional writes where violated. The Defendants have genuine evidence to prove that I do also and their evidence is not genuine and sad to say taking advantage of I not having a Lawyer and making a mockery of this Court and Judicial System. Thank You for all your time. Your Honor Sir.

Sincerely,
